LIGHTING AND LIGHTING CONTROLS

We take pride in providing our customers with the best quality lighting and control offerings in the region, partnering with Legrand®, the global specialist in electrical and digital building infrastructures.

As an official distributor of Legrand products in Sri Lanka, we power residential, commercial, leisure, corporate and IT building constructions with the complete lighting installation cycle.

Legrand products conform to British Standards (BS) and IEC standards with proven sustainable product quality, complementing the benchmarks we at EMP set for ourselves.

From design to delivery, our highly qualified expert staff will provide end-to-end solutions for your specific lighting and control needs.

We offer three primary BS wiring device ranges that comply with Sri Lankan standards:

- Belanko
- Mallia
- Arteor

More supporting BS wiring device ranges are also offered:

- Plexo
- Synergy

Our offerings include:

- Cable Management Solutions:
- Work Station Solutions
 - Wall and Ceiling Systems
 - Wire Mesh Cable Trays

- Building Systems:
- Lighting Management and Automation
 - Access Control
 - Thermal Management and Sound Distribution

LET YOUR PERSONALITY
SHINE.
